Re: H.M.S. HUSSAR, Inc., v. The Unidentified, Wrecked, and Abandoned Sailing Vessel 00 Civ. 00121 (LAP)

February 04, 2017

Dear Chief Judge Preska:

I am Joseph Governali, President of HMS Hussar, Inc., nothing has changed that position in spite of what you may have heard or not. But a lot has changed within the infrastructure of my company, I was forced to terminate many of them including my attorney Alex Antzoulatous who is in business with my former investor causing a conflict of interest. I still have Dr. Lloyd Ultan as my Chief Historian, several divers and my Secretary to the company.

But I give you my word of honor I will never give up, I will bring the HMS Hussar to the surface and I will vindicate the borough of the Bronx.

Everything that I've done so far from traveling to both Paris and England to do proper research to giving lectures at Portsmouth Shipyard Museum, there's always someone out ready to take credit.

I'm just a poor kid from the Bronx and a lot of people told me I'd never amount to anything but I kept the vision. Like the film Samson and Delilah when he's blind and makes his way to the pillars the whole coliseum is laughing at him ...then you hear the crack of the stone and the coliseum goes stone quiet as it will be when CNN announces to the world that the poor kid from the Bronx Joseph Governali has discovered and brought to the surface the remains of the shipwreck HMS Hussar.

I again request a meeting with your honor so I could show some valuable information that has never been made public.

Thank v

President
